RULES and GUIDELINES.

There are 30 parts (though we can add more if demand is high!)

Each submitter can take THREE SLOTS, but none back to back (no chaining)

Each segment is 2 Bars, but you can add sources or notes slightly

Submissions must be **on key, on beat,** and **sound good.**

USEFUL INFORMATION:

Arrangement	Mashup	Open	WIP / Claimed	Done

Be sure to submit your sections without the base instrumental!

122 BPM D minor Key

Logo Assets:

no bgm
bgm

Each segment comes with a Geico logo in the style of the selection.

For example, Section F would have **Geico** in the Mario Kart DS Font.

Feel free to add the optional subtitle: *So easy, a caveman can do it!*

We're taking the modern Silvagunner Logoswap style.

For backgrounds, any blurred footage will do
